NOMADISH

La collezione Nomadish apre le porte a un nuovo paesaggio domestico, generosamente aperto al mondo esterno, che incoraggia gli scambi tra generazioni, che si mescolano liberamente, secondo i propri gusti e rituali.

Una sorta di grazia silenziosa fa da sottofondo a tutta la selezione Nomadish che si colora di toni naturali e genuini insieme a disegni di una tradizione lontana, reinterpretati dalla Maison C&C Milano in tonalità sofisticate e preziose.

Attraverso la cura del fatto a mano d'eccellenza, la collezione Nomadish si lega al patrimonio del territorio, ricercando un linguaggio tattile per trasmetterne il vero valore artigianale.

Profondamente ispirata dalle radici che hanno dato vita alla Maison milanese, la collezione di tessuti e accessori Nomadish nella sua esplorazione intreccia tracce del passato e visioni moderne, ricercando un equilibrio tra il know-how artigianale e gli approcci estetici contemporanei.

The Nomadish collection explores a new domestic landscape, inviting in the outside world, encouraging an exchange between generations, fusing taste and ritual.

A silent grace touches the entire Nomadish selection, coloured with natural tones with designs from a distant tradition, reinterpreted by Maison C&C Milano in sophisticated and precious shades.

Deeply inspired by the roots that gave life to the Milanese Maison, the Nomadish collection of fabrics and accessories intertwines traces of the past and modern visions, seeking a balance between artisanal know-how and contemporary aesthetic approaches.
